Bicycle Parking Solutions

Wall-Mounted Bike Lift – Stainless Steel

Maximize your space and maintain a clutter-free environment with this premium wall-mounted bike lift. Engineered for both indoor and outdoor use, it lifts your bike safely off the ground, freeing up valuable floor space and creating a more organized area. Ideal for homes, garages, schools, or public facilities, this bike lift provides a simple, reliable, and stylish solution for efficient bike storage. It features a lateral folding function, so you can tilt the bike to the side when extra space is needed, making it perfect for narrow spaces or crowded storage areas. Its height-adjustable mount accommodates a wide range of bike sizes and types, ensuring a secure fit for every ride. Crafted from durable, weather-resistant materials, the lift is designed to withstand long-term use in any environment. Its strong construction ensures safe operation even alongside vehicles, making it an excellent choice for high-capacity bike parking in both residential and commercial settings.

- Vertical parking fits bikes and cars together efficiently
- Side-folding design maximizes space
- Lift is easily repositionable along the rail
- Adjustable height suits all bike sizes
- Holds up to 14 bikes on 6 meters of rail
- Add more lifts anytime—no extra drilling needed
