Outdoor Bins

Waste Bin RW1 30L with Double Lid, Wall Mount, RAL

The Waste Bin RW1 is a strong and reliable bin for both indoor and outdoor use. Made from 2 mm steel, it is durable and built to last. The perforated body gives it a modern look and lets air flow to keep it clean and odor-free. You can choose options like double lids, inner or outer lids, and bag holders, with a clamping ring to hold the bag in place. Bins with lids also come with an inner bucket for easy cleaning.
The RW1 offers flexible mounting options to suit different spaces:

- **Wall Mount:** Can be mounted on a wall using a wall bracket and screws.
- **Side Mount:** Can be easily mounted on a side post and either cast or mounting on floor.
- **Center Post Mount:** Mounted under the bin and either cast in concrete or mounting on floor. This model does not require wall brackets.

The bin is finished in galvanised steel and powder-coated in RAL colors. With its 30L & 50L large capacity, the Waste Bin RW1 is practical, easy to maintain, and looks good in any space.

- Made from durable 2mm sheet metal
- Perforated body for ventilation and modern design
- Includes inner bucket for easy maintenance
- Triangle wrench key included for secure installation
- Comes with double lid
- Galvanised and powder-coated finish with RAL color choices

Technical Data

R&R Item Number	RR103553
EAN / GTIN	7350168260901
Product Type	Outdoor Bins
Height	510 mm
Length	350 mm
Depth	418 mm
Weight	14,5 kg
Capacity	30L
Body Type	Perforated
Body Thickness	2 mm
Inner Basket Incl.	Yes
Lid Type	Double lid
Shape	Round
Material	Steel
Surface	Galvanised & powder-coated
Color	RAL
Mounting Type	Wall mounted
Location	Indoor & Outdoor
