

Bicycle Parking Solutions

Bike Rack Economy R85 Wall Mounted for 1 Bike

The Bike Rack Economy R85 is a compact, wall-mounted bicycle rack designed to provide secure parking for a single bike while maximising available floor space. Manufactured from high-quality steel with a hot-dip galvanised finish, it offers excellent strength and long-lasting protection against rust and harsh weather conditions. The robust 12 mm round steel retaining bracket securely supports the bicycle wheel, making it suitable for both indoor and outdoor installations. Designed to accommodate bicycles with tyre widths up to 55 mm, the R85 is suitable for city, commuter, trekking, hybrid, and many modern e-bikes. The 90° straight parking position provides neat, organised storage while making efficient use of wall space, making it ideal for garages, apartments, schools, workplaces, commercial premises, and bicycle storage areas.

- Wall-mounted bike rack for 1 bicycle
- Hot-dip galvanised
- Strong Ø12 mm steel bracket support
- Holds bikes at 90° straight
- Compatible with tyre widths up to 55 mm
- Easy screw-on wall

Technical Data

R&R Item Number	RR103672
EAN / GTIN	7350168263384
Product Type	Bike Rack
Height	363 mm
Length	138 mm
Depth	65 mm
Brackets Diameter	Ø12 mm
Weight	1,8 kg
Color	Silver
Material	Steel
Configuration	One-sided
Parking Spaces	1 bikes
Holder Angle	90° straight
Maximum Tyre Width	55 mm
Surface	Hot-dip galvanised
Mounting Type	Wall mounting
