Bicycle Parking Solutions

Bike Rack Premium R50W for 6 Bikes

The Bike Rack Premium R50W offers a highly durable and secure solution for parking bicycles. Its robust teel frame, coated with a rust-resistant finish, ensures long-lasting use even in outdoor environments. The supporting brackets of the Bike Rack Premium R50W come with a shock-absorbing rubber covering it in a bright red color. This rubber layer acts as an impact protector, helping prevent bicycles from getting scratched or damaged in case of accidental bumps or falls. The visible red rubber also makes the bike rack easy to spot, increasing awareness and safety in busy areas. The Bike Rack Premium R50W is also designed for easy expansion. It comes pre-configured for simple row connections, meaning you can easily add more racks to create a larger bike parking area. Installation is straightforward thanks to the included set of two ground mounting brackets and a clear set of instructions. Whether you need to mount it to the ground in a fixed position or create an expandable row of bike racks, this model offers both simplicity and flexibility in installation.

- Single-sided bike rack for secure and comfortable parking
- Rubber covering hoops for shock protection in bright red
- 500mm wheel space suitable for bikes
- Steel eyelets for optimized theft protection
- Durable, corrosion-protected steel construction
- Designed for easy row extension

Technical Data

R&R Item Number	RR102590
EAN / GTIN	7350168266538
Product Type	Bike Rack
Height	856 mm
Length	3000 mm
Depth	795 mm
Weight	28,8 kg
Color	Silver
Material	Steel
Configuration	One-sided
Parking Spaces	6 bikes
Bicycle Spaces	500 mm
Maximum Tyre Width	-
Surface	Hot-dip galvanised
Mounting Type	Floor mounting
