Bicycle Parking Solutions

Bike Rack Premium R45W for 4 Bikes

The Bike Rack Premium R45W is a free-standing bicycle parking system designed for secure, efficient parking of mountain bikes, e-bikes, and other high-quality bicycles. It features vertical parking hoops and rubber-sheathed frame rests to protect bikes from scratches and damage, along with integrated steel eyelets for easy lock-securing and theft prevention. Alternating low/high settings save valuable parking space, while single- or double-sided configurations offer flexibility for different needs. The system is prefabricated for easy row or series connection, making it simple to expand capacity as needed.

- Single-sided bike rack for secure and comfortable parking
