Bike Rack Economy R10 for 2 Bikes – Set in concrete, 1200 × 1150 × 48mm

The Bike Rack Economy R10 is a strong and reliable solution for everyday bicycle parking. It is made from durable 48 mm galvanised steel tubing, providing good resistance to rust and wear. The leaning and locking brackets provide stable bicycle support and allow bikes to be securely locked to the rack. The R10 can be set in concrete or floor mounted, providing flexible installation options. For larger parking areas, optional mounting rails can be used to create rows of bike racks.
