Bike Rack Economy R20 for 2 Bikes – Set in concrete, 1500 × 1150 × 48mm

The Bike Rack Economy R20 is a strong and reliable bicycle parking solution for everyday use. It is made from durable 48 mm galvanised steel tubing for good resistance to rust and wear. The leaning and locking brackets provide stable and secure bicycle parking. A practical knee-high crossbar adds extra strength and support. The R20 can be set in concrete or floor mounted, and optional mounting rails can be used to create larger parking rows.
