Bike Rack Economy R95 for 2 bikes - Set in concrete, 650 × 1150 × 48mm

The Bicycle Rack Economy R95 is a strong and practical double-sided bike rack designed for secure and comfortable bicycle parking. It is made from durable hot-dip galvanised steel for long-term outdoor use. The arched design and middle locking bar provide stable support and make it easy to secure bicycles. The R95 can be set in concrete or floor mounted, and optional mounting rails can be used to create larger parking rows.

- Accommodates 2 bikes securely
- Heavy-duty galvanised steel construction
- Strong 48 mm galvanised steel tubing
- Suitable for all types and sizes of bicycles
- Leaning and locking brackets for secure parking
- Knee-high crossbar for additional strength
- Designed to install in concrete
