Bike Rack Economy R96 for 2 bikes with Crossbar – Set in Concrete, RAL

The Bicycle Rack Economy R96 is a strong and modern double-sided bike rack designed for secure bicycle parking. It is made from 60 mm wide and 10 mm thick flat steel with a durable hot-dip galvanised finish for long-term outdoor use. The R96 is suitable for bicycles of different types and sizes and can be installed by setting in concrete or using a base plate with bolts. It is available with or without a knee-high crossbar.

- Accommodates 2 bikes securely
- Heavy-duty galvanised steel construction
- Made from 60 × 10 mm flat steel
- Suitable for all types and sizes of bicycles
- Leaning and locking brackets for secure parking
- Knee-high crossbar for additional strength
- Designed to install in concrete
