Bicycle Parking Solutions

Bike Rack Economy R30 for 2 Bikes – Set in concrete, 750 × 1150 × 48mm

The Bike Rack Economy R30 is a strong and reliable bicycle parking solution for 2 bicycles. Made from durable 48 mm galvanised steel tubing, it provides long-lasting resistance to corrosion and wear. The angled support bars provide stable bicycle positioning, while the integrated steel loops allow the bicycle frame to be securely locked. The R30 can be set in concrete or floor mounted, and its modular design allows additional racks to be added for larger parking areas.
